To the Honorable Mayor and Commissioners

City of Monett, Missouri

I have examined the fund balances of the General Fund, Sinking and Interest Fund, Waterworks Funds, and Federal Revenue Sharing Fund of the City of Monett, Missouri, at March 31, 1975, and the revenues collected and expenditures made through the various funds during the year then ended.

My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the financial statements referred to above present fairly the fund balances of the City of Monett, Missouri, at March 31, 1975, the revenues collected and expenditures made and the changes in the fund balances during the year then ended on a basis consistent with that of the preceding year.

### FUND BALANCES

The cash in banks at March 31, 1975, as presented on the statements of fund balances and revenues and expenditures, were reconciled with the amounts confirmed directly to me by the banks. The Collector's petty cash fund of \$300 and change fund of \$100, which are not included in the fund balances, were counted by me at the close of business on March 31, 1975. The securities kept in a safety deposit box at the First National Bank, Monett, Missouri, were \$25,000.00 in United States Treasury Notes, and \$10,000.00 in a Certificate of Deposit owned by the Waterworks Fund. Held for safekeeping for Waterworks Funds by the Bank of St. Louis, St. Louis, Missouri, were \$25,000.00 in United States Treasury notes while \$35,000.00 in United States Treasury notes and \$120,706.15 in United States Treasury bills were held for safekeeping by the Mercantile Trust Co., N.A., St. Louis, Missouri. The Bank of St. Louis also held \$397,988.10 in United States Treasury bills and the Mercantile Trust Co., N.A., held \$654,880.33 in United States Treasury bills for the Sewer Construction Fund. The Mercantile Trust Co., N.A., also held \$246,100.95 in United States Treasury bills and the Bank of St. Louis held \$96,556.00 in United States Treasury bills for the General Funds. The Mercantile Trust Co., N.A. held \$9,640.20 in United States Treasury bills for the Federal Revenue Sharing Fund.

### REVENUES

The analysis of revenues, by funds, is presented in the preceding statements of fund balances and revenues and expenditures. The detail of the general taxes received is shown in Schedule 1. Other receipts are shown in detail on Schedule 2. Receipts were test checked by reference to copies of City auto licenses, occupation license stubs, back tax books and other office records. The City Collector's periodic reports of collections, verified by the City Clerk, were checked against the City Clerk's records of cash received for the year. All fund transfers were in accordance with Ordinances authorizing transfers, as

SUPPLEMENTARY INFORMATION

In connection with my examination of the statements of fund balances and revenues and expenditures, I have reviewed the additional information presented in the following comments and schedules taken primarily from the accounting and other records of the City which is not, in my opinion, necessary for a fair presentation of the financial statements referred to above. The primary purpose of my examination was to formulate an opinion on the basic financial statements and was not such as to enable me to express an opinion as to the fairness of all the details of the supplementary information contained in this report.

Interest income of \$5,382.60 reflected in the Waterworks Operating and Maintenance Fund resulted from temporary investment of surplus funds in United States Treasury notes and bills and certificates of deposit. Interest income in the General Funds of \$14,389.83 came from \$14,057.75 earned on investment of surplus funds and \$332.08 Wells Aluminum Co. interest on transformer purchases.

Accounts payable include \$13,725.06 for capital expenditures in the General Fund and Waterworks Fund.

In July, 1964, at a special election, the voters of the City authorized the issuance of General Obligation Industrial Bonds, in the amount of \$525,000.00 for the purpose of acquiring an industrial plant to be leased to Wells Aluminum, Inc. These bonds were issued as of September 1, 1964, and the plant constructed in accordance with the provisions thereof. As it is anticipated that the bonds will be retired by rental payments received from Wells Aluminum, Inc., neither the construction of the plant nor liability under the bond issue is reflected on the City records. The collection of rentals and the payment of the bond principal and interest, as it becomes due, is handled by the Gillioz Bank and Trust Company, Monett, Missouri, which has been designated as the "fiscal agent" of the City in regard to this bond issue. Inasmuch as the issue was the General Obligation Bond of the City, however, the City has a contingent liability for the payment of interest and principal on these bonds in the event that the rental income should be inadequate to do this.

In March, 1967, at a special election, the voters of the City authorized the issuance of Industrial Revenue Bonds, Series of 1967, in the principal amount of \$700,000.00 for the purpose of purchasing and constructing an industrial plant to be leased to Vaisey-Bristol Shoe Company, Incorporated, wholly-owned subsidiary of The United States Shoe Company, Incorporated. These bonds were issued December 1, 1967. The bonds are to be retired out of the rental payments received from Vaisey-Bristol Shoe Company, Incorporated, with such payments being guaranteed by The United States Shoe Company, Incorporated. In the opinion of attorneys, the bonds do not constitute general obligations of the City or an indebtedness of the City within the meaning of any constitutional or statutory limitation, and are not payable in any manner by taxation. The City is required to see that Vaisey-Bristol Shoe Company, Incorporated, complies with the terms of the lease. Included in these terms is a provision for minimum insurance coverages to be maintained by Vaisey-Bristol Shoe Company, Incorporated, with copies of the policies or certificates of insurance delivered to the City of Monett naming the

City of Monett and Vaisey-Bristol Shoe Company, Incorporated, as their interest appears. During the course of our examination, it was found that such copies of the policies or certificates of insurance had been delivered to the City.

In October, 1969, at a special election, the voters of the City authorized the issuance of Industrial Revenue Bonds, Series of December 1, 1969, in the principal amount of \$1,100,000 for the purpose of purchasing and constructing additional improvements and providing additional machinery and equipment at the plant leased to Wells Aluminum, Inc., a wholly-owned indirect subsidiary of Revere Copper and Brass, Incorporated. In the opinion of attorney, "said bonds do not constitute general obligations of the City of Monett, Missouri, nor an indebtedness of said City within the meaning of any constitutional or statutory limitation, and are not payable in any manner by taxation, but, said bonds constitute valid and legally binding limited obligations of said City according to the terms thereof, payable - solely from and secured by a valid pledge of the rents and revenues derived from the lease of the Project, and not from any other fund or source."
