Storm Shelter Registration

STORM SHELTER REGISTRY

The City of Monett Storm Shelter Registry is a program initiated by the City of Monett Emergency Management. The purpose of the Storm Shelter Registry is to provide a database of storm shelter locations in Monett to assist emergency agencies in providing aid to victims of severe weather. The registry will be a valuable tool for emergency agencies in locating and assisting residents that may have been trapped in their storm shelters by tornado debris.

HOW TO PARTICIPATE

The City of Monett encourages anyone with a safe room or storm shelter to register by submitting the Storm Shelter Registration Form to the Emergency Management Office at 1901 East Cleveland Avenue. You can register a safe room, storm cellar, in-ground storm shelters, or basements.

By signing below I understand by registering my shelter, that those areas may be checked for entrapment by debris, following a severe weather event. I further understand that it may be an undetermined amount of time, depending on the size of the emergency, before a rescue attempt may be initiated at my location. With my signature, I release the City of Monett from any liability, for any event that occurs due to delayed rescue.
