### ACKNOWLEDGEMENT AND AGREEMENT

I understand I will owe the total of my current account balance plus my settlement balance as soon as my enrollment in the Equal Pay Program is cancelled. I understand that the settlement balance represents the difference between my actual utility bill and the Equal Pay amount billed to date.

This Equal Pay Program may be cancelled by either party with 30 days advance notice. However, if resident have more than two late payments, or

one check or debit entry is returned unpaid within a 12-month period, the City of Monett reserves the right to terminate the Equal Pay Program immediately without prior notice. Also, I understand that this agreement automatically terminates upon a finding of fraud, abuse, or misrepresentation.

# MAKE BUDGETING YOUR UTILITY BILL EASY!

Hot summers and cold winters can cause significant swings in your electric bill and problems for your budget. The Equal Pay program can make rising and falling utility bills a thing of the past. With our Equal Pay program, you won't have to deal with any surprises in your energy costs.

Here's how it works.

- ▶ This plan is available upon request. Resident must have no more than two (2) late payments in the last 12 consecutive months of billing. Also, residents must not have issued any bad check or bad debit entries to the City of Monett within the last 12 consecutive months of billing.
- ▶ The average monthly payment under the plan will be determined by dividing the previous 12 months utility bills by 12.
- ▶ The average monthly payment will be calculated and adjusted each July.

## Enrollment is simple. Here's how to sign up:

1. Complete the form on the reverse side.
2. Mail the completed form in the enclosed envelope. You can also fax it to 417-235-4635.

It shall be a requirement that all residential utility customers applying for the equal pay program must be set up for ACH or credit/debit withdrawal.
